My signature below states that I understand and will cooperate with league officials, if necessary.

Participation in baseball and softball requires the ability to run, throw, swing a bat and catch a ball. Additionally, participation requires the capacity to understand the rules of the game. Does your child have any current condition that limits his / her ability to participate in this activity? YES [] NO [] If "yes", please explain: _____

Will your child be participating in any other organized youth sports program during the Little League season, April through June? YES [] NO []. If yes, which program: _____

I know that participation in baseball or softball may result in serious injuries and protective equipment does not prevent all injuries to players, and do hereby waive, release, absolve, indemnify and agree to hold harmless the local league, Little League Baseball Inc., the organizers, sponsors, participants, landowners, and persons transporting my child to and from activities for any claim arising out of any injury to my child whether the result of negligence or for any other cause, except to the amount covered by accident or liability insurance.

We understand and agree that in all cases where baseball/softball pants are worn or required to be worn, they will be Light Gray in color (only). Light Gray shorts are permitted in the Softball Program.

We take a lot of random pictures during games and league activities. A small number of the pictures taken are selected to be displayed on our league website. If for any reason you would prefer not to have your child's picture shown on the website, please contact us through our website: www.mountaintoparealittleleague.com or contact a board member.
