

MT TOP AREA LITTLE LEAGUE

TEAM SPONSORSHIP HIGHLIGHTS

Sponsoring a team in Mt Top Area Little League goes a long way in helping the League provide a quality program to more than 600 children between the ages of 6 and 15 each year. Sponsorships help us to keep our registration fees low for participants and to cover the high cost of operating a large League.

A paid sponsorship not only helps the League, but also gets the sponsors name out there for everyone to see throughout the season. Players wear the sponsors name on their team uniforms. The sponsors also receive a plaque at the end of the season, and are listed on our website for the entire year with a link to the business or organization. The league also sends out newsletters and gets the sponsors name in local papers at every opportunity. Through our website we encourage our participants and their families to support and use businesses and organizations that sponsor in our League.

Team sponsorships are different than Ad Board Sponsors. Team sponsors do not include an ad board on the outfield fence; the businesses name is instead on the player's uniforms. Cost of a Team Sponsorship is \$250

Sponsorships (Donations) are Tax Deductible. We provide sponsors with a letter and our Tax I.D. number so they can claim the donation at the end of the year.

The League is most grateful to all of the businesses and organizations within the community that help us out year after year, and we look for to hearing back from you on sponsoring in the up coming season.

Please call 570-823-7949 for questions or details.
