

**TO: Boys Major League Managers, Boys Minor League Managers, Umpire in Chief, Umpires**

**Subject: Saturday Game Schedules**

It is important that your Saturday games start on time.

**Preparation**

Please get your team to the field at least 30 to 45 minutes ahead of your scheduled start time. Locate an open area beyond an outfield fence and have your team warm up in advance. Please have your line-up ready to go and get your pitcher warmed up, have the catcher put his equipment on, loosen the kids up, and start the game as soon as you take the field. There is not time for batting practice, infield practice, etc., and not necessary to put down liner for the batter's box and base lines between each game.

**MINOR League Game on Saturdays**

Minor League Games on Weekends are timed. Mark" the time with other manager and umpire before the first pitch. No numerical inning can start after the 1 hour, 45 minute mark, but teams complete the bottom of the inning if needed. If a minor league game ends in a tie, then it ends in a tie.

**Opening Day**

Please get to the field as soon as the ceremonies are over, loosen-up, and get the game started.

**All Weekend Games**

When you are finished, pack up, vacate the dugout as soon as possible so the next team can move in. Move to another area of the complex to have your team debriefing, pep-talks, present accolades, etc. Please be respectful to the games, managers, coaches, players, and parents that are schedule to play after you.
