

2019 Mt Top Area LL Baseball/Softball Schedule

NOTE: All games are subject to change due to inclement weather and other events beyond the control of MALL. In some cases the changes may occur faster than the schedule is updated, but we try to keep the schedules as accurate as possible.

The schedules are posted below in Excel format.

NOTE: The Master schedule contains all levels of play and is the only file that will be updated as the season progresses.

MASTER

You will notice that beside each column name, there is a gray box with a symbol in it. This is the "filter" feature of Excel which lets you look at certain rows based upon your selection criteria. It is not possible to give a full explanation here on how these are used but here are a few useful examples (using the **Master** schedule).
